EXPERIENCE THE LIFESTYLE OUR RESIDENTS ENJOY EVERY DAY

Residents Larry and Candy Kincaid

"We enjoy the freedom of living in a community without the burden of any home maintenance and no utility expenses. We have weekly housekeeping, cable TV, multiple daily activities to choose from, live entertainment and outings, movies twice a day in an authentic private theater, a heated pool, three meals served daily and snacks 24/7. Our personal favorite is the self-serve ice cream machine and creating many new friendships with other residents. We believe we have found a wonderful, carefree style of living at a very competitive month-to-month rent."

Resident Dorothy Mullen

"I went looking all around for my new home after 20 years in my house, and then being all alone. I walked through the doors at Desert Springs and saw the bright, sunny dining room, and I immediately decided I'd found my new home. I love the friendly residents, the staff are great, I have a very comfortable apartment, and I enjoy the wonderful atmosphere. I no longer have to go buy food and cook it – the food here is great. They all take such good care of me – I won't be going anywhere!"

Residents Frank and Maxine Kandt

"We're so happy to be part of the Desert Springs family. We looked at other communities but kept coming back here. Our decision to make Desert Springs our home has turned out wonderfully for us. The warmth of the residents, the planned activities and the décor are some reasons we now call Desert Springs our home. And simplifying our life has been a real bonus."
