EXPERIENCE THE LIFESTYLE OUR RESIDENTS ENJOY EVERY DAY

"Before I moved to Wilshire Estates in November 2021, I was certainly hesitant to make the transition from my home to a retirement community. When I initially began my search, I felt I was not ready. I had lived in my home for many years and was very involved in my community. I realized that I was quite lonely in my 4-bedroom home and needed a change. I toured 4 times and even came for a trial stay before deciding to move. Since I've moved to Wilshire Estates, I'm no longer lonely and I'm surrounded by new friends. The community feels like home and I no longer have to worry about housework, grocery shopping or meal preparation. If you are a senior living alone and you want close friendships and are tired of being lonely, then this is the place for you."

~ Gloria Logan (Wilshire Estates - Silver Spring, MD)

"It feels like home. My apartment is beautiful, and I love sitting on my balcony. Everyone is so nice, and I have met some great people. I was referred by existing residents, and I am glad I chose The Lodge at Wake Forest. All the meals are tastefully prepared, and I especially enjoy the snacks that are available throughout the day. There is so much to do, I can't pick just one favorite."

~Bob Reichard (The Lodge at Wake Forest - Wake Forest, NC)

"Linwood Estates is the perfect place to call home for my husband and I. We were fed up with having to maintain the upkeep of a house. We are now where we feel we need to be. The food is delicious, the activities are fun, and the care is GREAT. Having the managers live on-site helped us make up our minds that the staff here really care about us all. We plan to stay here at Linwood Estates for a long time. We love it."

~Ronnie & Karen King (Linwood Estates - Lawrenceville, GA)

"I had heard about Willow Creek from a patient of mine. I called for my parents, and the managers Glenn and Val, invited us to meet them the same day. I instantly decided that this was the right home. Management is beyond attentive, the chef and food are amazing, the servers are patient and understanding, and the housekeeping is thorough. The transportation service offers pretty much every need that the residents have. My father's health started to decline over a few months, and we eventually decided to move my parents to an assisted living community. We instantly missed everything about Willow Creek, and unfortunately, within 48 hours of moving, my father passed away. My mom decided to move back to Willow Creek, and she was welcomed with open arms. It's now several months later, and my mom has formed lifelong bonds with other residents, participates in outings with a wonderful activity director, and now calls Willow Creek home."

~ David Block (Willow Creek - Chesapeake, VA)
