EXPERIENCE THE LIFESTYLE OUR RESIDENTS ENJOY EVERY DAY

Residents Bill and Sandra Patheal

“Living at Summit Glen takes the ‘sting’ out of getting old! We were unsure if we wanted to leave our home and come to a senior living environment. After visiting Summit Glen, we felt very comfortable moving here, especially with the peace of mind of having an excellent Management Team. We can decorate and furnish our own roomy apartment to make it home, and the dining room with the cheerful young servers creates a very happy atmosphere. The most important advantage of living here is all the many activities and the opportunity to make many new friends that make all these retirement days the most enjoyable!”

Resident Martha Wallace

“Even before my husband passed, as a couple, we felt very comfortable with visiting friends at Summit Glen. Having visited retirement places in Colorado Springs, there was no comparison. Summit Glen is just where I wanted to be as a widow. The whole atmosphere and the friendships I have experienced makes me quite content. The meals are well balanced, and activities have been scheduled so that there is something for everyone to participate in. I especially like walking the halls and enjoying the beautiful outdoor hiking.”

Resident Loren Loy

“Living at Summit Glen is a pleasure. The food is excellent with many choices to pick from. My apartment is super, and the accommodations are great. More importantly, the young people who work here are fantastic. Lots of good entertainment is provided by the activity coordinator and her helpers. What more could I ask for? Thanks to our wonderful management team!”
