EXPERIENCE THE LIFESTYLE OUR RESIDENTS ENJOY EVERY DAY

"Moving here put me closer to my sister and other family members. I have lived here for 7 months, and a day doesn't go by without my family knowing how happy I am to be living here. The residents enjoy one another through a variety of activities and games. Our meals are delicious and each week we can meet with the Chef to give our feedback. The friends that I have made will be an everlasting friendship. We enjoy together all the amazing amenities. I am thankful to be a part of The Lodge at Wake Forest family."

~Mary Ann Sides, (The Lodge at Wake Forest – Wake Forest, NC)

"It feels like home. My apartment is beautiful, and I love sitting on my balcony. Everyone is so nice, and I have met some great people. I was referred by existing residents, and I am glad I chose The Lodge at Wake Forest. All the meals are tastefully prepared, and I especially enjoy the snacks that are available throughout the day. There is so much to do, I can't pick just one favorite."

~Bob Reichard, (The Lodge at Wake Forest – Wake Forest, NC)

"My daughter was searching for a good retirement community so I could be closer to her. She picked Shads Landing and I love it! The residents are friendly and the staff are understanding, helpful, and so caring. They listen to me and work hard to find solutions if any issues arise. Shad's Landing is a happy and very clean place to be for seniors!"

~Maureen Curry (Shads Landing – Charlotte, NC)

"I had heard about Willow Creek from a patient of mine. I called for my parents, and the managers Glenn and Val, invited us to meet them the same day. I instantly decided that this was the right home. Management is beyond attentive, the chef and food are amazing, the servers are patient and understanding, and the housekeeping is thorough. The transportation service offers pretty much every need that the residents have. My father's health started to decline over a few months, and we eventually decided to move my parents to an assisted living community. We instantly missed everything about Willow Creek, and unfortunately, within 48 hours of moving, my father passed away. My mom decided to move back to Willow Creek, and she was welcomed with open arms. It's now several months later, and my mom has formed lifelong bonds with other residents, participates in outings with a wonderful activity director, and now calls Willow Creek home."

~ David Block (Willow Creek – Chesapeake, VA)
